MASDAR

Direct Talent Solutions Case Study

Client: MASDAR
Mandate: Head of Corporate Governance & Integration
Sector: Energy

Background

Established in April 2006, Masdar is a multi-faceted company advancing the development of commercially-oriented renewable energy solutions and clean technologies. Masdar integrates the full renewable and clean technology lifecycle - from research to commercial deployment, with the aim of creating scalable clean energy efficient solutions for the future.

Our Approach

Having demonstrated our understanding of the mission, values and cultural fit of Masdar for the past three years, we continue to work in identifying key strategic hires to help build teams in specific core areas of the business.

We have successfully worked with Corporate Governance and Integration, Project Delivery Unit and with various shared-services teams including Human Resources, Legal, Commercial and Energy specialists.

“I have known and worked with the team at Executive Solutions for over three years and found them to be consistently professional and able to deliver results

Top qualities: Great Results, Personable and On Time! Need I say more?! “
